

Certificate of Conformance to Requirements for Welding Electrode

Product Type:	Fabshield XLNT-6
Classification:	E70T-6
Specifications:	AWS A5.20/A5.20M; ASME SFA 5.20
Diameter Tested:	5/64; 3/32"
Date Tested:	4/6/2023
Date Generated:	4/6/2023

This is to certify that the product named above and supplied on the referenced order number is of the same classification, manufacturing process, and material requirements as the material which was used for the test that was concluded on the date shown, the results of which are shown below. All tests required by the specifications shown for classification were performed at that time and the material tested met all requirements. It was manufactured and supplied by the Quality System Program of Hobart Brothers, which meets the requirements of ISO 9001, ANSI/AWS A5.01, and other specification and Military requirements, as applicable. This document supplies actual test results of non-specific inspection in conformance with the requirements of EN 10204, type 2.2 certification.
